EARLY BIRD SPECIAL  
SAVE \$5 A COURSE IF  
YOU SIGN UP BY MAY  
22ND!!!

## SESSION DATES:

**AUGUST 3-7**

\*SOME CLASSES MEET AUGUST 10 & 11TH

## OUR MISSION:

THE SUMMER ENRICHMENT INSTITUTE PROVIDES STUDENTS LEARNING OPPORTUNITIES TO ENHANCE THEIR SKILLS OVER THE SUMMER. OUR HOPE IS TO HELP STUDENTS DEVELOP THE CONFIDENCE AND KNOWLEDGE BASE TO MAKE THEIR LEARNING EXPERIENCE NEXT FALL A SUCCESS!

# SUMMER ENRICHMENT INSTITUTE GOALS

As educational leaders, we are dedicated to helping students become creative, caring, analytic thinkers who will make a difference in our world. We have created this institute to provide students with opportunities to learn and grow academically over the summer. Many of these courses will allow students to gain experience with the curriculum while developing confidence before they enter school next fall. Some of the elective courses will allow students to explore their interests as well as essential life skills. The Summer Enrichment Institute has been designed for students entering seventh grade through grade twelve. Our hope is that through providing authentic learning opportunities students will continue to grow academically and socially.

## GENERAL INFORMATION:

\*This program is for current Fairport Central School Students.

\*Registration will begin April 27th and close on July 17th

\*Participants are accepted by date of registration. Students will be put on a wait list if class is closed.

\*Please print out and mail registration form and check together by July 17th.

\*Each session is equivalent to two weeks of instruction during the school year.

\*The topics that will be covered in each course will consist of skills needed for the next level as well as an introduction to new concepts.

## PROGRAM LOCATION

Martha Brown Middle School

Ayrault Road

Fairport, NY 14450

## FACULTY

\*All of the SEI instructors are NYS certified educators.

Director: Stacie Miller

Instructors: Elissa DeChick, Beth McCourt, Erin Merritt, Kieran Murphy, Renee Ortiz, Aimee Pipitone, Christine Scoppa, Jeff Sherner, Dustin Smith, Mark Trawitz

*"When educating the minds of our youth, we must not forget to educate their hearts." Dalai Lama*

## SEI POLICIES:

- Participants are accepted according to the date they register.
- **Early Bird registration ends May 22nd.**
- Payment must be dropped off at FHS main office or mailed with your completed registration and be received by **July 17th, 2015.**
- Make checks payable to: **FACET of Fairport Inc.**
- Mail registration and payment to:

FACET, Attn: *Fairport Summer Enrichment Institute, 1 Dave Paddock Way, Fairport, NY 14450*

- NO refunds, partial or otherwise, after **July 17th.**
- All classes have a minimum class size which must be met by the close of registration in order for the class to run.
- SEI will give full refund if a course is cancelled.
- Transportation is not provided to and from classes. For your child's safety please make sure that you drop off and pick up your child on time and at the designated locations.
- Students are expected to follow the Fairport Central School District Code of Conduct/Dress Code at all times.

\*\*Please Note: Summer Enrichment Institute is **not responsible** for students after they leave the building.

## SPECIAL NEEDS:

Students with special needs are welcome members to our classes. All the Summer Enrichment classes are electives. These programs are not provided by the school district. If a student needs special accommodations please contact us.

\*If you would like your child to participate in the Summer Enrichment Institute and need financial assistance please contact us. We may be able to assist you.

## ACCIDENT POLICY:

\*The Summer Enrichment Institute & FACET are not responsible for personal injuries. Students and/or their parents should maintain their own injury protection and medical coverage. Please provide the necessary emergency information on your registration. Make sure individual instructors are also aware of any health concerns.

# ENRICHMENT PROGRAMS

## RAMPING UP TO ALGEBRA (MATH GRADE 8)

Instructor: Dustin Smith      Dates: Aug 3 - 7, 10,11

Time: 10:00 - 11:55      Cost: \$120

8th Grade Mathematics focuses on pre-algebra skills involving/including The Number System, Expressions and Equations, Functions, Geometry, and Statistics and Probability. Throughout the school year, the goals of this course are to make students make sense of problems and persevere in solving them, reason abstractly and quantitatively, construct viable arguments and critique the reasoning of others, model with mathematics, use appropriate tools strategically, attend to precision, look for and make use of structure, and look for and express regularity in repeated reasoning. A solid skill-set entering 8th Grade Mathematics is to be a precise and consistent equation solver, be able to follow procedures (both simple and complex) repeatedly, analyze and interpret real-world problems with mathematical modeling, and be a student/mathematician that can, and will, persevere independently. Throughout this summer session, we will focus on solving linear equations, graphing linear equations, working with graphs, and other basic skills needed to be successful in 8th Grade Mathematics..

## ENGLISH LANGUAGE ARTS SKILLS MYSTERIOUS EVENTS (GRADES 7-8)

Instructor: Christine Scoppa      Dates: Aug 3-7

Time: 8:00 - 9:55      Cost: \$100

UFO sightings, lost cities, mind readers, strange creatures... There are so many mysteries that have yet to be solved! Come learn about these and many other fascinating topics. Participants will have the opportunity to select a mystery. They will use this intriguing topic to fine-tune their literacy skills.

## READING, DEBATING & RESPONDING TO INFORMATIONAL TEXT (GRADES 9, 10)

Instructor: Mark Trawitz      Dates: Aug 3-7

Time: 8:00 - 9:55      Cost: \$100

This course is designed to examine newspaper, magazine and online articles that are of interest to students who are entering ninth grade. We will learn and utilize close reading strategies and discuss and debate the topic of each article. Additionally, we will respond to the text by following a specific essay format. Students will have an opportunity to share their writing with their peers.

## THE 60'S: A TURBULENT DECADE IN AMERICAN HISTORY (GRADES 8 - 9)

Instructor: Jeff Shermer      Dates: Aug 5-7,10,11

Time: 10:00 - 11:55      Cost: \$100

This course will trace the events surrounding one of the most turbulent decades in American history. Students will examine issues surrounding the Cold War including the Cuban Missile Crisis and the Vietnam War. We will look at how the mood of the country changed with the assassination of President John F. Kennedy and will also look at the cultural revolution that defined the 60's, analyzing music from the time period from the Beatles, the Rolling Stones, Neil Young, and Jimi Hendrix, among others. Lastly, we will look at the "Space Race" that culminate with the moon landing in July of 1969.

## STUDY SKILLS (GRADES 9 -12)

Instructor: Beth McCourt      Dates: Aug 3-7

Time: 8:00- 9:55      Cost: \$100

Students will learn valuable organizational skills, such as how to prioritize and initiate tasks, plan and manage time. They will learn effective ways to minimize distractions, organize their thoughts, note taking skills, listening skills, etc. Students will learn ways to reduce test anxiety and manage stress.

## FUN WITH SPANISH (GRADES 7 - 9)

Instructor: Renee Ortiz      Dates: Aug 3-7

Time: 8:00- 9:55      Cost: \$110

Students will experience a fun cultural style course in the summer where we will do activities that we never have time to do in class. Some activities include making food from different countries, learning Spanish dances, doing crafts from the country, basic conversations, songs, movies etc...All in Spanish. \*Cost is slightly higher due to materials.

## CREATIVE DRAWING & PAINTING APPROACHES (GRADES 7 -12)

Instructor: Elissa DeChick      Dates: Aug 3-7

Time: 10:00 - 11:55      Cost: \$110

Explore your inner artist with some fresh approaches in drawing and painting. Learn how to let go of perfection and work with mistakes with creative challenges and happy solutions. \*Cost is slightly higher due to materials.

## ALL IN FOR ALGEBRA I

Instructor: Aimee Pipitone      Dates: Aug 3-7

Time: 10:00 - 11:55      Cost: \$100

Get a step ahead and ready for next year! We will focus on order of operations with algebraic expressions, factoring, expressions with irrational numbers, and rules of exponents. Have fun exploring the fundamental skills of Algebra, easing the worries of the common core! \* This course is intended for students who are enrolled in Algebra Common Core for Fall 2015.

## EXPLORING GEOMETRY

Instructor: Erin Merritt      Dates: Aug 3-7

Time: 10:00 - 11:55      Cost: \$100

Discover and explore geometry in the world around us. Investigative labs and projects will introduce you to many of the concepts in geometry while having fun! Come see how learning geometry can be fun.

## ALGEBRA COMMON CORE REGENTS PREPARATION FOR AUGUST 12, 2015 EXAM

Instructor: Kieran Murphy      Dates: Aug 3-7,10,11

Time: 1:00 - 2:30      Cost: \$120

Get ready for Algebra Common Core regents on August 12th. Each day will provide a review of topics to ensure you are ready to take the Common Core Algebra Regents at the end. We will also learn how to use our TI 83/84 graphing calculator to help solve problems. \* This course is intended for students who have already completed the Algebra Common Core Course and are registered to take the Algebra Common Core Exam on August 12th.

## ALGEBRA 2 TRIGONOMETRY REGENTS PREPARATION FOR AUGUST 12, 2015 EXAM

Instructor: Erin Merritt/Stacie Miller      Dates: Aug 3-7,10,11

Time: 1:00 - 2:30      Cost: \$120

Get ready for Algebra 2 Trigonometry Regents on August 12th. Each day we provide clear instruction along with effective learning tools, techniques and test taking strategies. All students will receive Regents Review materials upon arrival and are encouraged to keep them after the course is completed to assist them with any additional studying until the date of their examination. \* This course is intended for students who have already completed the Algebra 2/Trigonometry Course and are registered to take the Exam on August 12th.
